

# WHY LEASE?

Because we look after your needs from start to end.

# 1

## It's expensive to buy an equipment!

### Predictable Expenses

Knowing your expenses ahead of time helps you plan your budget with less risks involved. Equipment ownership expenses are always unpredictable and can cause cash flow problems when you are not prepared.

# 2

## No huge DOWN PAYMENT!

### Better Cash Flow

Capital set aside for equipment can be enormous when you combine with insurance premium hikes and ever-rising maintenance costs. Our leasing packages will address all these concerns. A steady and undisrupted cash flow is a business advantage. It gives you a complete peace of mind.

## Replacement Ready!

### Reduce Downtime

It pays to be ahead of your game! Don't let an equipment problem slow you down in today's fast paced environment. A replacement equipment is always ready to keep your business buzzing.

# 3

## More financial flexibility.

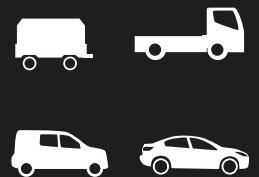

### Alternative to Credit Lines

Choosing the right equipment while expanding your fleet is made easier with leasing. An alternative financing option that frees up more of your credit lines, improves your profitability ratios and at the same time, boosts up your business profile.

# 5

## Mix & Match?

### Flexible Asset Mix

The best business decision you can make is to be asset light! With lower capital outlay, it gives your business an instant competitive advantage. Our leasing packages give you access to a wide range of up-to-date equipment to meet your varied business requirements and upgrading needs.

# 7

# 4

## I have more time to be productive!

### Maintenance & Manpower

Managing your own fleet takes away precious time which can be better channelled to your business and family. Leasing helps you to plan and schedule for maintenance services, giving you time to handle important business and life decisions.

## Grow my business anytime.

### Expansion Opportunity

Leasing allows you to expand your business whenever the opportunity arises. We let you focus on your business while we take care of your equipment requirements.

# 8

## Hassle-free Disposal!

### No Uncertainties

No disposal loss uncertainties with the option to add, upgrade, or dispose equipment easily.

10,000 Leasing Clients Served. And Counting.
